Subject: fracked gas in North Carolina

Dear Roy Cooper,

You need to say a big NO to fracked gas in North Carolina.
I have read about the corruption in the regulatory body that approves such as the Atlantic Coast Pipeline.

I look forward to seeing your administration as the one that stands with integrity and resolve against any fracked gas or pipeline in our state.

I am a retired professional and now a grandmother. I want all of our grandchildren to have a good future.

Thank you,
